## **SECTION 1 – RFP OVERVIEW AND PROPOSAL PROCEDURES**

This Request for Proposal (“RFP”) is being issued by South Florida Community Care Network, LLC d/b/a Community Care Plan (“CCP”) to select a vendor to provide Non-Emergency Transportation Services for CCP’s Enrollees in its Statewide Medicaid Managed Care Program (“MMA Program”) and Florida Healthy Kids Program (“FHK Program”). CCP is required by its contracts with the Agency for Health Care Administration (“AHCA Contract”) and Florida Healthy Kids Corporation (“FHK Contract”) to contract with a provider of Non-Emergency Transportation Services (“NET Services”) with the experience and expertise to deliver NET Services to CCP’s Enrollees. CCP seeks to identify the most competitive Bidders to furnish NET Services and related administrative services to CCP’s Enrollees and who will best provide services in an efficient, transparent, and collaborative manner that assures high-quality transportation services and Enrollee experience.

### **1.1 Introduction/Background**

CCP is a provider service network (“PSN”) owned and operated by the North Broward Hospital District d/b/a Broward Health and the South Broward Hospital District d/b/a Memorial Healthcare System (“the Members”). South Florida Community Care Network, LLC was incorporated in 2014 as a Florida limited liability company, with its principal place of business located at 1643 Harrison Parkway, Suite H-200, Sunrise, Florida 33323.

As part of its operations, CCP has and continues to establish a network of providers to provide health care services to certain payor groups, including Medicaid, Florida Healthy Kids, among others. CCP provides services to Enrollees in Region 10 (Broward County) for the MMA Program and in Regions 9, 10 and 11 (Indian River, Martin, Okeechobee, Palm Beach, St. Lucie, Broward, Miami-Dade and Monroe Counties) for the FHK Program.

### **1.2 Objective**

CCP is seeking a provider of NET Services with the experience and expertise to deliver NET Services to CCP’s Enrollees, as is required by its AHCA Contract and FHKC Contract, in a timely, professional, efficient, and cost-effective manner while ensuring the highest standards of integrity, customer service, accountability and performance.

The AHCA Contract and FHKC Contract may be collectively referred to as “Prime Contract(s)” when terms and responsibilities of the RFP are applicable to both. If terms and responsibilities are applicable to a specific contract, reference will be to either the AHCA Contract or the FHKC Contract.

Copies of CCP’s contracts with the Agency and Florida Healthy Kids can be found by clicking on the links included in the contract names below:

- [AHCA Contract](#); and
- [FHKC Contract](#).

This RFP shall not be construed as a request or authorization to perform work at CCP’s expense. Any work performed by a respondent in connection with its evaluation and response to this RFP and, if selected, negotiating a definitive agreement will be at the respondent’s own discretion and expense.

### 2.1 Instructions to Bidders

Bidders should carefully follow the format and instructions outlined below, observing format requirements where indicated. All materials (except for plans and schematics, if any) are to be submitted on 8 ½ by 11 pages, neatly typed, with one (1) inch margins and spacing. Proposals that do not include the required documents may be deemed non-responsive and may not be considered for contract award.

- D. Qualifications: This section shall be completed by all Bidders as it relates to the NET services for which it is proposing. Each Bidder must respond in the sequential order to each of the sections identified in Attachment 7.

Please submit proof of compliance/documentation/plan/policy to each of the sections in Attachment 7. Do NOT include hyperlinks as part of your response.

- E. Service Requirements: The service requirements specified on Attachment 8 are the minimum service level requirements for all Bidders submitting a RFP Response. ## SECTION 3.0 – SUBMISSION OF RFP RESPONSE; EVALUATION/SELECTION PROCESS; AND AWARD

### 3.1 Submission of RFP Responses

- 3.1.1 All RFP Responses must meet the requirements specified in this section of the RFP. The submission of a RFP Response means that the Bidder has read and agrees to comply with the contents of this RFP.

RFP Responses shall include the following:

- A. Transmittal Letter (Attachment 6);
  - B. Executive Summary;
  - C. Qualifications Checklist (Attachment 7);
  - D. Service Requirements Checklist (Attachment 8);
  - E. Pricing Proposals (Attachment 9);
  - F. Conflict of Interest Disclosure Form (Attachment 4); and
  - G. Sworn Certificate Under Section 287.133, Florida Statutes, Public Entity Crime Provision.
- 3.1.2 RFP Responses must be received by CCP via electronic mail to [rfp@ccpcares.org](mailto:rfp@ccpcares.org) no later than 5:00 p.m. on December 21, 2020. Before the RFP Response deadline, CCP will provide Bidders information to a secured FTP site for submission of responses that are too large to email to CCP.
- 3.1.3 RFP Responses received after the closing date, for any reason whatsoever, will not be accepted or considered. Any dispute regarding timely receipt of an RFP Response shall be decided in favor of CCP.
- 3.1.4 All RFP Responses must be complete. If executed forms are not included as part of a RFP Response, Bidders will be advised and will be allowed seventy-two (72) hours to provide the missing forms. Should a Bidder fail to provide the missing forms within the seventy-two (72) hours provided, the RFP Response shall be deemed incomplete and not acceptable.
- 3.1.5 Under no circumstance may a Bidder modify a RFP Response after the deadline for receipt of the RFP Responses unless agreed to by CCP. Any request for withdrawal must be made via email to [rfp@ccpcares.org](mailto:rfp@ccpcares.org). All responsive RFP Responses will be considered.
- 3.1.6 CCP reserves the right to accept all, any or none of the RFP Responses submitted.
- 3.1.7 CCP understands that the services requested in this RFP may vary from company to company in technique and material. All specifications set forth in this RFP are to be considered and construed as a general description of function, purpose and

performance of the services desired. No RFP Response will be disqualified from consideration where services offered by the Bidder are substantially equivalent in quality, purpose and standards, even though it does not correspond exactly to the description contained in the specifications. Where differences exist, they shall be separately identified in an addendum to the RFP Response with a specific and concise explanation of what differences exist and why such differences do not substantially deviate from the quality, purpose and standards of the services specified. Further data on such difference shall be provided if requested.

## **3.2 Evaluation Process**

3.2.1 CCP will use a three-part evaluation process for this RFP. In the first part (the Part A evaluation), CCP will review all timely submitted RFP Responses with respect to completeness, accuracy and content. The evaluation criteria for this “Part A” evaluation is more fully set forth in Section 2. CCP anticipates selecting and inviting at least two (2) Bidders whose scores on the “Part A” evaluation ranked the highest to make oral presentations (the “Part B” Presentation Process). After the selected Bidders have made their oral presentations, CCP will score each Bidder based on his or her performance. Following the “Part B” presentation, the Bidders will be given a weighted score which will be based on their corresponding Part A and Part B scores, the process to which is also detailed below (the “Part C” Process). This combined score will constitute each Bidder’s final total score.

CCP will then rank the Bidders based on their final total scores and will submit the ranking to the CCP Members for Board approval. Upon approval, CCP will then negotiate a contract with the Bidder who has the highest score. If CCP is unable to negotiate a satisfactory contract for any reason, CCP shall formally terminate negotiations with the highest ranked Bidder and shall then undertake negotiations with the second highest Bidder. Should CCP be unable to negotiate a satisfactory contract with any of the ranked Bidders, CCP shall, at its sole discretion, either cancel or withdraw this RFP or select additional Bidders who submitted RFP Responses in the order of their scoring and shall continue negotiations in accordance with this paragraph until an agreement is reached.

3.2.2 CCP may elect to conduct site visits to a Bidder’s business location(s).

## **3.3 RFP Postponement/Cancellation**

CCP reserves the right, in its sole and absolute discretion, to withdraw, postpone or cancel all or part of this RFP at any time, including after award is made and contract negotiations have begun. CCP further reserves the right to re-advertise this RFP, which may also be modified to meet the current needs of CCP.

### **3.4 Award**

- 3.4.1 Bidders shall refrain from contacting CCP, to inquire the status of the award.
- 3.4.2 Once a recommendation to the CCP Member Board has been approved, the first ranked firm will be notified both by telephone and in writing so that contract negotiations may commence. All Bidders who are not selected will be notified in writing only after the RFP has been awarded.

## ATTACHMENT 10 – NON-EMERGENCY TRANSPORTATION SERVICES REPORTS

### **Non-Emergency Transportation Timeliness Report:**

The purpose of this report is to monitor all non-emergency transportation trips, in accordance with the AHCA Contract, that were missed (the Enrollee was not picked up) or were late (did not meet contractual timeliness standards) during the reporting month. This report is due within thirty (30) calendar days after the end of the reporting month.

CCP must submit the Non-Emergency Transportation Timeliness Report for all Enrollees for whom CCP was aware had a non-emergency transportation service scheduled and the trip was late or missed. For purposes of the report, late or missed trip includes the following:

- A. When a trip to an AHCA Contract-covered service or benefit, or other Medicaid service, is late or missed (Leg A), or
- B. When a trip from an AHCA Contract-covered service or service or benefit, or other Medicaid service, was late or missed (Leg B), or
- C. When the entire trip was missed (both Leg A and Leg B).

CCP must include in this report all non-emergency transportation complaints received from the Agency during the reporting month for late or missed trips that occurred during the reporting month.

This report also includes non-emergency transportation late or missed trips when the transportation was requested outside of CCP's stated advance notification policy if:

- A. Transport to a Contract-covered service or benefit, or other Medicaid service, was required to timely access such services in accordance with the access requirements in the SMMC Contract, or
- B. The unscheduled non-emergency transportation trip was authorized by the Managed Care Plan (e.g., hospital discharge request, urgent care trip, etc.).

Each monthly submission must include all data fields on the report template for the non-emergency late or missed trips known to CCP during the reporting month, including the reason for each late or missed trip, unless the report template indicates the field may be left blank.

For months without any non-emergency transportation late or missed trips known to CCP, CCP shall submit only the attestation specifying that there were no non-emergency transportation late or missed trips that occurred during the reporting month that were known by CCP during the reported month.

If later a late or missed trip was made known to CCP that did not get reported in a previous Non-Emergency Transportation Timeliness Report, CCP must submit this trip in the Non-Emergency Transportation Timeliness Report for the reporting period month in which the missed trip was made known to CCP. CCP will be required to explain this in the Comments column of the report.

The Agency template can be found on Attachment 10A.
