

# Opioid Phone Line

There has been an increase in the use of prescription pain medicine. This can often lead to heroin use and other forms of opioid abuse. That is why we have started a phone line. This phone line is for members dealing with addiction to pain medicine. All calls are private.

## Hotline Benefits:

- Get general information
- Learn about treatment options
- Recognize signs of abuse
- Talk to someone who can help

Someone is available 24/7 and can be reached at 800-424-4782.
