RE: Contracted Urgent Care Centers for After-Hours Pediatric Care

We are pleased to inform you that Community Care Plan has contracted with PM Pediatric Care Urgent Care Centers throughout Florida effective 12/01/2023. This valuable resource is available for your patients during after-hours situations when your office may be closed.

These urgent care facilities are equipped to handle a variety of illnesses and injuries from fevers and fractures to strep and stitches (including wound/laceration care, X-ray, and splinting, IV hydration, and much more). The centers are open late seven days a week, ensuring that our members have access to quality healthcare even outside regular business hours.

Please consider informing your patients about these contracted urgent care centers as a convenient option for their after-hours care. By recommending these centers, you can help make certain that our members receive timely and appropriate medical attention when they need it most.

The following are the Broward locations:

5992 CORAL RIDGE DRIVE B-11	CORAL SPRINGS	BROWARD	FL	33076	Open Mon - Sat: 12pm – 12am Sunday: 10am – 12am (Midnight)
