HHS has planned two webinars for Medicaid providers on the Medicaid Provider Relief Portal and Application process. The webinars are titled *Getting Started with the Provider Relief Fund for Medicaid and CHIP Distribution*, and are designed to assist providers in understanding how to use the Medicaid provider relief portal and submit applications to the portals.

The webinars will be scheduled on the following dates:

- Thursday, June 25, at 2:00 pm, Eastern

Funding Overview

HHS has launched an enhanced Provider Relief Fund Payment Portal that will allow eligible Medicaid and CHIP providers to report their annual patient revenue, which will be used as a factor in determining their Provider Relief Fund Payment. There are specific HHS requirements to be eligible for the funding relief, and providers must have billed their state Medicaid/CHIP programs, or managed care plans for healthcare-related services from January 1, 2018 through May 31, 2020.

You can access the HHS website to obtain additional information, review all terms and conditions, and register for the June 23 and June 25 webinars:
