Welcome to Community Care Plan's Statewide Medicaid Managed Care Plan

Community Care Plan has a contract with the Florida Agency for Health Care Administration (Agency) to provide health care services to people with Medicaid. This is called the **Statewide Medicaid Managed Care (SMMC) Program**. You are enrolled in our SMMC plan. This means we will offer you Medicaid services. We work with a group of health care providers to help meet your needs.

There are many types of Medicaid services you can receive in the SMMC program. You can receive medical services, like doctor visits, labs, and emergency care, from a **Managed Medical Assistance (MMA)** plan. If you are an elder or adult with disabilities, you can receive nursing facility and home and community-based services in a **Long-Term Care (LTC)** plan. If you have a certain health condition, like AIDS, you can receive care that is designed to meet your needs in a **Specialty** plan.

If your child is enrolled in the Florida KidCare **MediKids** program, most of the information in this handbook applies to you. We will let you know if something does not apply.

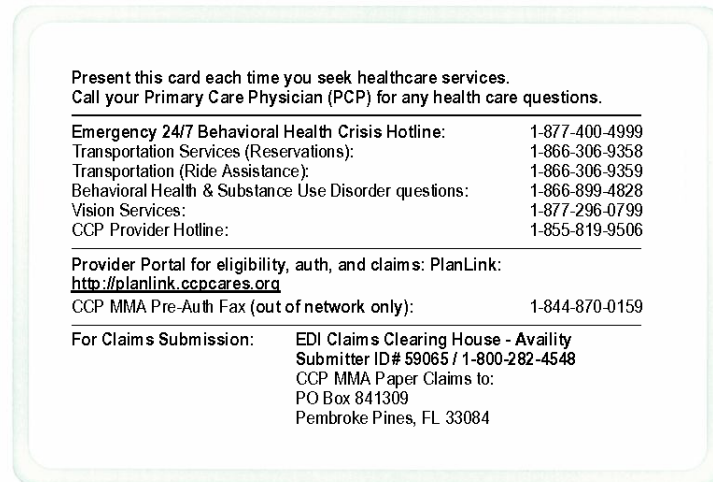

This handbook will be your guide for all health care services available to you. You can ask us any questions or get help making appointments. If you need to speak with us, just call us at 1-866-899-4828.

Section 1: Your Plan Identification Card (ID card)

You should have received your ID card in the mail. Call us if you have not received your card or if the information on your card is wrong. Each member of your family in our plan should have their own ID card.

Always carry your ID card and show it each time you go to a health care appointment or the hospital. Never give your ID card to anyone else to use. If your card is lost or stolen, call us so we can give you a new card.

Your ID card will look like this:

Section 2: Your Privacy

Your privacy is important to us. You have rights when it comes to protecting your health information, such as your name, Plan identification number, race, ethnicity, and other things that identify you. We will not share any health information about you that is not allowed by law.

If you have any questions, call Member Services. Our privacy policies and protections are:

Community Care Plan will never give out your history without your written consent. The only persons that will have your info will be your doctors and your representative. Community Care Plan staff have been trained to keep your info private.

Section 3: Getting Help from Our Member Services

Our Member Services Department can answer all of your questions. We can help you choose or change your Primary Care Provider (PCP for short), find out if a service is covered, get referrals, find a provider, replace a lost ID card, report the birth of a new baby, and explain any changes that might affect you or your family's benefits.

Contacting Member Services

You may call us at 1-866-899-4828, or TTY/TDD 711, Monday to Friday, 8:00 a.m. to 7:00 p.m., but not on State approved holidays (like Christmas Day and Thanksgiving Day). When you call, make sure you have your identification card (ID card) with you so we can help you. (If you lose your ID card, or if it is stolen, call Member Services.)

Contacting Member Services after Hours

If you call when we are closed, please leave a message. We will call you back the next business day. If you have an urgent question, you may call our 24/7 Nurse Help Line at 1-855-541-6404. Our nurses are available to help you 24 hours a day, 7 days a week.

Section 4: Do You Need Help Communicating?

If you do not speak English, we can help. We have people who help us talk to you in your language. We provide this help for free.

For people with disabilities: If you use a wheelchair, or are blind, or have trouble hearing or understanding, call us if you need extra help. We can tell you if a provider's office is wheelchair accessible or has devices for communication. Also, we have services like:

- Telecommunications Relay Service. This helps people who have trouble hearing or talking to make phone calls. Call 711 and give them our Member Services phone number. It is 1-866-899-4828. They will connect you to us
- Information and materials in large print, audio (sound); and braille
- Help in making or getting to appointments
- Names and addresses of providers who specialize in your disability

All of these services are provided free to you.

Section 5: When Your Information Changes

If any of your personal information changes, let us know as soon as possible. You can do so by calling Member Services. We need to be able to reach you about your health care needs.

The Department of Children and Families (DCF) needs to know when your name, address, county, or telephone number changes as well. Call DCF toll free at 1-866-762-2237 (TTY 1-800-955-8771) Monday through Friday from 8 a.m. to 5:30 p.m. You can also go online and make the changes in your Automated Community Connection to Economic Self Sufficiency (ACCESS) account at <https://dcf-access.dcf.state.fl.us/access/index.do>. If you receive Supplemental Security Income (SSI), you must also contact the Social Security Administration (SSA) to report changes. Call SSA toll free at 1-800-772-1213 (TTY 1-800-325-0778), Monday through Friday from 7 a.m. to 7 p.m. You may also contact your local Social Security office or go online and make changes in your Social Security account at <https://secure.ssa.gov/RIL/SiView.do>.

Section 6: Your Medicaid Eligibility

You must be covered by Medicaid and enrolled in our plan for <Community Care Plan> to pay for your health care services and health care appointments. This is called having **Medicaid eligibility**. If you receive SSI, you qualify for Medicaid. If you do not receive SSI, you must apply for Medicaid with DCF.

Sometimes things in your life might change, and these changes can affect whether you can still have Medicaid. It is very important to make sure that you have Medicaid before you go to any appointments. Just because you have a Plan ID Card does not mean you still have Medicaid. Do not worry! If you think your Medicaid has changed or if you have any questions about your Medicaid, call Member Services. We can help you check on your coverage.

If you Lose your Medicaid Eligibility

If you lose your Medicaid and get it back within 180 days, you will be enrolled back into our plan.

If you have Medicare

If you have Medicare, continue to use your Medicare ID card when you need medical services (like going to the doctor or the hospital), but also give the provider your Medicaid Plan ID card too.

If you are having a baby

If you have a baby, he or she will be covered by us on the date of birth. Call Member Services to let us know that your baby has arrived, and we will help make sure your baby is covered and has Medicaid right away.

It is helpful if you let us know you are pregnant **before** your baby is born to make sure your baby has Medicaid. Call DCF toll free at 1-866-762-2237 while you are pregnant. If you need help talking to DCF, call us. DCF will make sure your baby has Medicaid from the day he or she is born. They will give you a Medicaid number for your baby. Let us know the baby's Medicaid number when you get it.

Section 7: Enrollment in Our Plan

Initial Enrollment

When you first join our plan, you have 120 days to try our plan. If you do not like it for any reason, you can enroll in another SMMC plan in the same region. Once those 120 days are over, you are enrolled in our plan for the rest of the year. This is called being **locked-in** to a plan. Every year you have Medicaid and are in the SMMC program, you will have an open enrollment period.

Open Enrollment Period

Each year, you will have 60 days when you can change your plan if you want. This is called your **open enrollment period**. Your open enrollment period is based upon where you live in Florida. The State's Enrollment Broker will send you a letter to tell you when your open enrollment period is.

You do not have to change plans during your open enrollment period. If you do choose to leave our plan and enroll in a new one, you will start with your new plan at the end of your open enrollment period. Once you are enrolled in the new plan, you are locked-in until your next open enrollment period. You can call the Enrollment Broker at 1-877-711-3662 (TDD 1-866-467-4970).

Enrollment in the SMMC Long-Term Care Program

The SMMC Long-Term Care (LTC) program provides nursing facility services and home and community-based care to elders and adults (ages 18 years and older) with disabilities. Home and community-based services help people stay in their homes, with services like help with bathing, dressing, and eating; help with chores; help with shopping; or supervision.

We pay for services that are provided at the nursing facility. If you live in a Medicaid nursing facility full-time, you are probably already in the LTC program. If you don't know, or don't think you are enrolled in the LTC program, call Member Services. We can help you.

The LTC program also provides help for people living in their home. But space is limited for these in-home services, so before you can receive these services, you have to speak to someone who will ask you questions about your health. This is called a screening. The Department of Elder Affairs' Aging and Disability Resource Centers (ADRCs) complete these screenings. Once the screening is complete, the ADRC will notify you about your wait list placement or provide you with a list of resources if you are not placed on the wait list. If you are placed on the wait list and a space becomes available for you in the LTC program, the Department of Elder Affairs Comprehensive Assessment and Review for Long-Term Care Services (CARES) program will ask you to provide more information about yourself to make sure you meet other medical criteria to receive services from the LTC program. Some enrollees do not have to complete the screening or wait list process if they meet all other LTC program eligibility requirements. For more information on Screening Exceptions in the LTC Program, visit the Agency's web page at https://ahca.myflorida.com/Medicaid/statewide_mc/ltc_scrn.shtml.

For example:

1. Are you 18, 19, or 20 years old?
2. Do you have a chronic debilitating disease or condition of one or more physiological or organ systems?
3. Do you need 24-hour-per-day medical, nursing, or health supervision or intervention?

If you said “yes” to all three questions, you may contact Community Care Plan to request an assessment for the LTC program. Once you are enrolled in the LTC program, we will make sure you continue to meet requirements for the program each year.

You can find the phone number for your local ADRC using the following map. They can also help answer any other questions that you have about the LTC program. Visit https://ahca.myflorida.com/Medicaid/statewide_mc/smmc_ltc.shtml for more information.

Section 8: Leaving Our Plan (Disenrollment)

Leaving a plan is called **disenrolling**. By law, people cannot leave or change plans while they are locked-in except for specific reasons. If you want to leave our plan while you are locked-in, call the State's Enrollment Broker to see if you would be allowed to change plans.

You can leave our plan at any time for the following reasons (also known as **For Cause Disenrollment** reasons¹):

- We do not cover a service for moral or religious reasons
- You live in and get your Long-Term Care services from an assisted living facility, adult family care home, or nursing facility provider that was in our network but is no longer in our network

You can also leave our plan for the following reasons, if you have completed our grievance and appeal process²:

- You receive poor quality of care, and the Agency agrees with you after they have looked at your medical records
- You cannot get the services you need through our plan, but you can get the services you need through another plan
- Your services were delayed without a good reason

If you have any questions about whether you can change plans, call Member Services 1-866-899-4828 or the State's Enrollment Broker at 1-877-711-3662 (TDD 1-866-467-4970).

¹ For the full list of For Cause Disenrollment reasons, please see Florida Administrative Rule 59G-8.600: www.flrules.org/gateway/RuleNo.asp?title=MANAGED_CARE&ID=59G-8.600

² To learn how to ask for an appeal, please turn to Section 15, Member Satisfaction, on page 43.

Removal from Our Plan (Involuntary Disenrollment)

The Agency can remove you from our plan (and sometimes the SMMC program entirely) for certain reasons. This is called **involuntary disenrollment**. These reasons include:

- You lose your Medicaid
- You move outside of where we operate, or outside the State of Florida
- You knowingly use your Plan ID card incorrectly or let someone else use your Plan ID card
- You fake or forge prescriptions
- You or your caregivers behave in a way that makes it hard for us to provide you with care
- You are in the LTC program and live in an assisted living facility or adult family care home that is not home-like and you will not move into a facility that is home-like³

If the Agency removes you from our plan because you broke the law or for your behavior, you cannot come back to the SMMC program.

Section 9: Managing Your Care

If you have a medical condition or illness that requires extra support and coordination, we may assign a case manager to work with you. Your case manager will help you get the services you need. The case manager will work with your other providers to manage your health care. If we provide you with a case manager and you do not want one, call Member Services to let us know.

If you are in the LTC program, we will assign you a case manager. You must have a case manager if you are in the LTC program. Your case manager is your go-to person and is responsible for **coordinating your care**. This means they are the person who will help you figure out what LTC services you need and how to get them.

If you have a problem with your care, or something in your life changes, let your case manager know and they will help you decide if your services need to change to better support you.

Changing Case Managers

If you want to choose a different case manager, call Member Services. There may be times when we will have to change your case manager. If we need to do this, we will send a letter to let you know and we may give you a call.

³ This is for Long-Term Care program enrollees only. If you have questions about your facility's compliance with this federal requirement, please call Member Services or your case manager.

Important Things to Tell Your Case Manager

If something changes in your life or you don't like a service or provider, let your case manager know. You should tell your case manager if:

- You don't like a service
- You have concerns about a service provider
- Your services aren't right
- You get new health insurance
- You go to the hospital or emergency room
- Your caregiver can't help you anymore
- Your living situation changes
- Your name, telephone number, address, or county changes

Request to Put Your Services on Hold

If something changes in your life and you need to stop your service(s) for a while, let your case manager know. Your case manager will ask you to fill out and sign a Consent for Voluntary Suspension Form to put your service(s) on hold.

Section 10: Accessing Services

Before you get a service or go to a health care appointment, we have to make sure you need the service and that it is medically right for you. This is called **prior authorization**. To do this, we look at your medical history and information from your doctor or other health care providers. Then we will decide if that service can help you. We use rules from the Agency to make these decisions.

Providers in Our Plan

For the most part, you must use doctors, hospitals, and other health care providers that are in our **provider network**. Our provider network is the group of doctors, therapists, hospitals, facilities, and other health care providers that we work with. You can choose from any provider in our provider network. This is called your **freedom of choice**. If you use a health care provider that is not in our network, you may have to pay for that appointment or service.

You will find a list of providers that are in our network in our provider directory. If you want a copy of the provider directory, call 1-866-899-4828 to get a copy or visit our website at www.ccpcares.org.

If you are in the LTC program, your case manager is the person who will help you choose a service provider who is in our network for each of your services. Once you choose a service provider, they will contact them to begin your services. This is how services are **approved** in the LTC program. Your case manager will work with you, your family, your caregivers, your doctors, and other providers to make sure that your LTC services work with your medical care and other parts of your life.

Providers Not in Our Plan

There are some services that you may be able to get from providers who are not in our provider network. These services are:

- Family planning services and supplies
- Women’s preventative health services, such as breast exams, screenings for cervical cancer, and prenatal care
- Treatment of sexually transmitted diseases
- Emergency care

If we cannot find a provider in our provider network for these services, we will help you find another provider that is not in our network. Remember to check with us first before you use a provider that is not in our provider network. If you have questions, call Member Services.

When We Pay for Your Dental Services

Your dental plan will cover most of your dental services, but some services may be covered by Community Care Plan. The table below will help you understand which plan pays for a service.

Type of Dental Service(s):	Dental Plan Covers:	Medical Plan Covers:
Dental Services	Covered when you see your dentist or dental hygienist	Covered when you see your doctor or nurse
Scheduled dental services in a hospital or surgery center	Covered for dental services by your dentist	Covered for doctors, nurses, hospitals, and surgery centers
Hospital visit for a dental problem	<i>Not covered</i>	Covered
Prescription drugs for a dental visit or problem	<i>Not covered</i>	Covered
Transportation to your dental service or appointment	<i>Not covered</i>	Covered

Contact Member Services at 1-866-899-4828 for help with arranging these services.

What Do I Have To Pay For?

You may have to pay for appointments or services that are not covered. A covered service is a service we must provide in the Medicaid program. All the services listed in this handbook are covered services. Remember, just because a service is covered, does not mean you will need it. You may have to pay for services if we did not approve it first.

If you get a bill from a provider, call Member Services. Do not pay the bill until you have spoken to us. We will help you.

Services for Children⁴

We must provide all medically necessary services for our members who are ages 0 – 20 years old. This is the law. This is true even if we do not cover a service or the service has a limit. As long as your child's services are medically necessary, services have:

- No dollar limits; or
- No time limits, like hourly or daily limits

Your provider may need to ask us for approval before giving your child the service. Call Member Services if you want to know how to ask for these services.

Services Covered by the Medicaid Fee-for-service Delivery System, Not Covered Through Community Care Plan

The Medicaid fee-for-service program is responsible for covering the following services, instead of Community Care Plan covering these services:

- **BEHAVIOR ANALYSIS (BA)**
- **COUNTY HEALTH DEPARTMENT (CHD) CERTIFIED MATCH PROGRAM**
- **DEVELOPMENTAL DISABILITIES INDIVIDUAL BUDGETING (IBUDGET) HOME AND COMMUNITY-BASED SERVICES WAIVER**
- **FAMILIAL DYSAUTONOMIA (FD) HOME AND COMMUNITY-BASED SERVICES WAIVER**
- **HEMOPHILIA FACTOR-RELATED DRUGS**
- **INTERMEDIATE CARE FACILITY SERVICES FOR INDIVIDUALS WITH INTELLECTUAL DISABILITIES (ICF/IID)**
- **MEDICAID CERTIFIED SCHOOL MATCH (MCSM) PROGRAM**
- **MODEL HOME AND COMMUNITY-BASED SERVICES WAIVER**
- **NEWBORN HEARING SERVICES**
- **PRESCRIBED PEDIATRIC EXTENDED CARE**
- **SUBSTANCE ABUSE COUNTY MATCH PROGRAM**

⁴ Also known as “Early and Periodic Screening, Diagnosis, and Treatment” or “EPSDT” requirements.

Section 11: Helpful Information About Your Benefits

Choosing a Primary Care Provider (PCP)

If you have Medicare, please contact the number on your Medicare ID card for information about your PCP.

One of the first things you will need to do when you enroll in our plan is choose a PCP. This can be a doctor, nurse practitioner, or a physician assistant. You will contact your PCP to make an appointment for services such as regular check-ups, shots (immunizations), or when you are sick. Your PCP will also help you get care from other providers or specialists. This is called a **referral**. You can choose your PCP by calling Member Services.

You can choose a different PCP for each family member, or you can choose one PCP for the entire family. If you do not choose a PCP, we will assign a PCP for you and your family.

You can change your PCP at any time. To change your PCP, call Member Services.

Choosing a PCP for Your Child

You can pick a PCP for your baby before your baby is born. We can help you with this by calling Member Services. If you do not pick a PCP by the time your baby is born, we will pick one for you. If you want to change your baby's PCP, call us.

It is important that you select a PCP for your child to make sure they get their well child visits each year. Well child visits are for children 0 – 20 years old. These visits are regular check-ups that help you and your child's PCP know what is going on with your

child and how they are growing. Your child may also receive shots (immunizations) at these visits. These visits can help find problems and keep your child healthy.⁵

You can take your child to a pediatrician, family practice provider, or other health care provider.

You do not need a referral for well child visits. Also, there is no charge for well child visits.

Specialist Care and Referrals

Sometimes, you may need to see a provider other than your PCP for medical problems like special conditions, injuries, or illnesses. Talk to your PCP first. Your PCP will refer you to a **specialist**. A specialist is a provider who works in one health care area.

If you have a case manager, make sure you tell your case manager about your **referrals**. The case manager will work with the specialist to get you care.

Second Opinions

You have the right to get a **second opinion** about your care. This means talking to a different provider to see what they have to say about your care. The second provider will give you their point of view. This may help you decide if certain services or treatments are best for you. There is no cost to you to get a second opinion.

Your PCP, case manager or Member Services can help find a provider to give you a second opinion. You can pick any of our providers. If you are unable to find a provider with us, we will help you find a provider that is not in our provider network. If you need to see a provider that is not in our provider network for the second opinion, we must approve it before you see them.

Urgent Care

Urgent Care is not Emergency Care. Urgent Care is needed when you have an injury or illness that must be treated within 48 hours. Your health or life are not usually in danger, but you cannot wait to see your PCP, or it is after your PCP's office has closed.

If you need Urgent Care after office hours and you cannot reach your PCP, call the 24/7 Nurse Help Line at 1-855-541-6404.

You may also find the closest Urgent Care center to you by calling Member Services at 1-866-899-4828 or going to website www.ccpcares.org and using our provider directory.

⁵ For more information about the screenings and assessments that are recommended for children, please refer to the "Recommendations for Preventative Pediatric Health Care – Periodicity Schedule" at [Periodicity Schedule \(aap.org\)](http://PeriodicitySchedule.aap.org).

Hospital Care

If you need to go to the hospital for an appointment, surgery or overnight stay, your PCP will set it up. We must approve services in the hospital before you go, except for emergencies. We will not pay for hospital services unless we approve them ahead of time or it is an emergency.

If you have a case manager, they will work with you and your provider to put services in place when you go home from the hospital.

Emergency Care

You have a medical **emergency** when you are so sick or hurt that your life or health is in danger if you do not get medical help right away. Some examples are:

- Broken bones
- Bleeding that will not stop
- You are pregnant, in labor and/or bleeding
- Trouble breathing
- Suddenly unable to see, move, or talk

Emergency services are those services that you get when you are very ill or injured. These services try to keep you alive or to keep you from getting worse. They are usually delivered in an emergency room.

If your condition is severe, call 911 or go to the closest emergency facility right away. You can go to any hospital or emergency facility. If you are not sure if it is an emergency, call your PCP. Your PCP will tell you what to do.

The hospital or facility does not need to be part of our provider network or in our service area. You also do not need to get approval ahead of time to get emergency care or for the services that you receive in an emergency room to treat your condition.

If you have an emergency when you are away from home, get the medical care you need. Be sure to call Member Services when you are able and let us know.

Filling Prescriptions

We cover a full range of prescription medications. We have a list of drugs that we cover. This list is called our **Preferred Drug List**. You can find this list on our Web site at <https://ccpcares.org/Members/Medicaid/Pharmacy> or by calling Member Services.

We cover **brand name** and **generic** drugs. Generic drugs have the same ingredients as brand name drugs, but they are often cheaper than brand name drugs. They work the same. Sometimes, we may need to approve using a brand name drug before your prescription is filled.

We have pharmacies in our provider network. You can fill your prescription at any pharmacy that is in our provider network. Make sure to bring your Plan ID card with you to the pharmacy.

The list of covered drugs may change from time to time, but we will let you know if anything changes.

Specialty Pharmacy Information

Community Care Plan uses Magellan RX Specialty to fill specialty medications. If you have questions or want to use another pharmacy in our network to fill your specialty medications, call Magellan Specialty at 1-866-554-2673.

- Looking at our provider directory
- Going to our website, www.ccpcares.org

You do not need a referral from your PCP for behavioral health services.

If you are thinking about hurting yourself or someone else, call 911. You can also go to the nearest emergency room or crisis stabilization center, even if it is out of our service area. Once you are in a safe place, call your PCP if you can. Follow up with your provider within 24-48 hours. If you get emergency care outside of the service area, we will make plans to transfer you to a hospital or provider that is in our plan's network once you are stable.

Section 18: Other Important Information

Patient Responsibility for Long-Term Care (LTC) or Hospice Services

If you receive LTC or hospice services, you may have to pay a “share *in* cost” for your services each month. This share *in* cost is called “patient responsibility.” The Department of Children and Families (DCF) will mail you a letter when you become eligible (or to tell you about changes) for Medicaid LTC or hospice services. This letter is called a “Notice of Case Action” or “NOCA.” The NOCA letter will tell you your dates of eligibility and how much you must pay the facility where you live, if you live in a facility, towards your share in the cost of your LTC or hospice services.

To learn more about patient responsibility, you can talk to your LTC case manager, contact the DCF by calling 1-866-762-2237 toll-free, or visit the DCF Web page at <https://www.myflfamilies.com/service-programs/access/medicaid.shtml> (scroll down to the Medicaid for Aged or Disabled section and select the document entitled 'SSI-Related Fact Sheets').

Indian Health Care Provider (IHCP) Protection

Indians are exempt from all cost sharing for services furnished or received by an IHCP or referral under contract health services.

Emergency Disaster Plan

Disasters can happen at any time. To protect yourself and your family, it is important to be prepared. There are three steps to preparing for a disaster: 1) Be informed; 2) Make a Plan; and 3) Get a Kit. For help with your emergency disaster plan, call Member Services or your case manager. The Florida Division of Emergency Management can also help you with your plan. You can call them at 1-850-413-9969 or visit their website at www.floridadisaster.org.

For LTC members, your case manager will assist you in creating a disaster plan.

Tips on How to Prevent Medicaid Fraud and Abuse:

- DO NOT share personal information, including your Medicaid number, with anyone other than your trusted providers.
- Be cautious of anyone offering you money, free or low-cost medical services, or gifts in exchange for your Medicaid information.
- Be careful with door-to-door visits or calls you did not ask for.
- Be careful with links included in texts or emails you did not ask for, or on social media platforms.

You can also call the hotline if you know of someone else that is being mistreated.

Domestic Violence is also abuse. Here are some safety tips:

- If you are hurt, call your PCP
- If you need emergency care, call 911 or go to the nearest hospital. For more information, see the section called EMERGENCY CARE
- Have a plan to get to a safe place (a friend's or relative's home)
- Pack a small bag, give it to a friend to keep for you

If you have questions or need help, please call the National Domestic Violence Hotline toll free at 1-800-799-7233 (TTY 1-800-787-3224).

Advance Directives

An **advance directive** is a written or spoken statement about how you want medical decisions made if you can't make them yourself. Some people make advance directives when they get very sick or are at the end of their lives. Other people make advance directives when they are healthy. You can change your mind and these documents at any time. We can help you get and understand these documents. They do not change your right to quality health care benefits. The only purpose is to let others know what you want if you can't speak for yourself.

1. A Living Will
2. Health Care Surrogate Designation
3. An Anatomical (organ or tissue) Donation

You can download an advanced directive form from this website:

www.floridahealthfinder.gov/reports-guides/advance-directives.aspx.

Make sure that someone, like your PCP, lawyer, family member, or case manager knows that you have an advance directive and where it is located.

If there are any changes in the law about advance directives, we will let you know within 90 days. You don't have to have an advance directive if you do not want one.

If your provider is not following your advance directive, you can file a complaint with Member Services at 1-866-899-4828 or the Agency by calling 1-888-419-3456.
