

Provider Directory

Broward County

January 2019

Welcome to the Community Care Plan (CCP).

CCP is here to meet all your health care needs in Broward County.

First, you need to pick a doctor. You must get your care from our doctor. The doctor will send you to a specialist if you need one. We have many doctors for you to pick.

The following specialty services do not need referral from your doctor:

- County Health Department Services
- Family Planning Services
- Federally Qualified Health Centers (FQHCs) (for select FQHC services)
- Dermatology services (5 visits/calendar year)*
- Chiropractic services (21 years of age or older) (10 visits/calendar year)*
- Podiatry services (4 visits/calendar year)*
- Obstetrician & Gynecologist (Annual Well Woman Exam)*
- Ophthalmologist & Optometrist (Eye exam)*

*Must be CCP providers.

Next make an appointment with your doctor. This will give him/her a chance to get to know your health needs. Don't wait until you are sick to see a doctor.

This book gives you a list of:

- Primary Care Providers (PCP)
- Specialists
- Hospitals
- Pharmacies
- Independent Laboratories

*Some providers may not perform certain services based on religious or moral beliefs.

We want to give you the best care! Call us if you do not find your doctor listed. The number is 1-866-899-4828.

Note: The doctors and hospitals in this book are updated as the day the book is printed. New doctors may be added or leave our plan. For current list, visit our website at www.ccpcares.org or call 1-866-899-4828.

For doctors' hospital privileges, call Enrollee Services. The number is 1-866-899-4828.
