To: Community Care Plan Providers

Subject: Newborn Circumcisions Expanded Benefit – MMA Plan

To help provide the best possible care to our members, Community Care Plan (CCP) would like to remind you that the reimbursement for newborn circumcision is applicable within the first 12 weeks of birth (84 days). It is available upon request during the initial hospitalization visit, in the physician's office or participating facility. A limit of (1) per lifetime.

Please note that:

- If this service is delivered by a participating Provider or Facility, **an authorization will not be required** from the health plan.
- **The applicable CPT codes** to cover through the first 84 days are 54150 / 54160 / 54161.
- Effective January 1, 2017, **providers are paid at the new rate of \$300.**

Please remember that members cannot be billed for any Community Care Plan covered services as outlined in the Provider Agreement.

If you require additional information on following this payment guideline, please contact the Provider Operations Department at 1-855-819-9506 or ccp.provider@ccpcares.org

Thank you for being a valuable member of our provider community.
