A specialty pharmacy

Accredo

The medicines you need, with smooth delivery and personalized care

Your health plan is committed to giving you a specialty pharmacy that offers the medicines and support you need to manage your complex health issues. That's what you get with Accredo.

Accredo is a safe, convenient way to get your medicines. Plus, it offers:

- Access to 99.9% of specialty medicines,* which means you may be more likely to get all your specialty medicines from one pharmacy
- Simple communication, including refill reminders, through phone, email, text or web, whichever you prefer
- A mobile app that allows you to refill and track prescriptions, make payments and set reminders to take your medicines**
- 500 condition-specific pharmacists and 600+ nurses, all offering one-on-one coaching
- Medicine-specific packaging at no cost
- 24/7 support

*Accredo internal data, 2023
**Not all medicines can be refilled on the app.

Get one-on-one support for your specific health condition

Accredo has 15 Therapeutic Resource Centers (TRCs), each focused on a specific specialty condition. You'll have direct access to clinical care and education on your health condition from specially trained pharmacists, nurses and other clinicians.

They'll discuss how to reduce your disease progression, achieve your treatment goals, manage any medicine side effects and find the most effective way to take your medicines. They'll also monitor your progress and offer support with any financial or insurance concerns you may have.
